

Fitness Equipment Aftercare

Looking after **YOUR** equipment
as we would our **OWN**

MORE THAN JUST STANDARD SERVICE AGREEMENTS

At Staffs Fitness we pride ourselves in looking after our customer's equipment as if it were our own. We pro-actively service machines to ensure they are in the best possible condition and we only ever recommend the need for parts when it is absolutely necessary.

We asset register of all the equipment we service and repair, detailing each machine, its performance history and repair costs to ensure that our customers have complete understanding and visibility.

The benefits of regular servicing are proven to reduced breakdowns and keep your equipment working safely and efficiently. This increases longevity and maximises value to you as a customer.

We offer a range of packages to suit your needs.
